Product or Service Review & Banner Package

This is an inexpensive package that gives the advertiser a professionally written product feature and a banner ad for a low monthly cost.

A professionally written review of 500 words that details your company, one of your products, an entire product line or a service, will be written by the CreaturesCorner.com editor. The review will include photos and your company contact information so interested readers can visit your website, call, or email you.

Your review will receive guaranteed placement at the top of our homepage for one month and will then continue to remain active on the website. You Will Also Receive a Banner Ad.

Price is \$89 per month for 12 consecutive months. The price drops to \$69 per month starting with the 13th month and any future advertising is run on a month-to-month basis from that point forward.

Feature Article on Your Company, Product or Service

A professionally written article on your company, one of your product(s) or service(s) of approximately 500 words will be written by the CreaturesCorner.com editor. The article will include photos and your company contact information so interested readers can visit your website, call, or email you. Your article will receive guaranteed placement pinned to the top of our homepage for one month and will remain active on our website for a minimum of one year.

The Price is only one time charge of \$395 or you can choose to go with 12 monthly payments of only \$39 each.
